### **GROUND RULES FOR THE LITTLE BROTHER/LITTLE SISTER**

I understand as a Little Brother/Little Sister that I have responsibilities to my Big Brother/Big Sister, therefore I will:

1. Arrange to spend time with my Big Brother/Big Sister on a regular basis.
2. Let my Big Brother/Big Sister know that I like to see him/her.
3. Try new activities with my Big Brother/Big Sister.
4. Not ask to bring friends, brothers or sisters along on our outings.
5. Inform my parent/guardian of match activities. Not keep secrets about match activities from my parents or caseworker.
6. Be ready, on time, and dressed in clean clothes when my Big Brother/Big Sister arrives to pick me up.
7. Let my Big Brother/Big Sister know if my plans change and I am unable to keep our outing appointment.
8. Not expect my Big Brother/Big Sister to buy me gifts or take me on expensive outings.
9. Ask my Big Brother/Big Sister if I can call him/her at home. If he/she agrees, I will be responsible about the time of day and how often I call.
10. Keep contact with my caseworker by responding to phone calls and letters.
11. If a problem develops, immediately talk to my caseworker and parent/guardian about it.

I have read the above ground rules for participating as a Little Brother/Little Sister and agree to abide by them.
